SUMMARY

SEO Specialist with hands-on experience in SEO, App Store Optimization (ASO), and E-commerce optimization. Skilled in developing data-driven strategies, conducting keyword research, performing competitor analysis, and improving organic search visibility across websites and mobile app landing pages.

Experienced in working with Shopify, Salla, Zid, and WordPress, with practical knowledge of Google Analytics 4, Google Search Console, and Google Tag Manager. Also equipped with a technical background in web and mobile development, enabling a broader understanding of website performance and digital products.

WORK EXPERIENCE

SEO Specialist — Awamer Alshabaka (AAIT) | July 2026 – Present

- Develop and implement SEO strategies for service-based and product-based websites.
- Conduct App Store Optimization (ASO) for mobile applications on Google Play and Apple App Store.
- Optimize app landing pages to improve organic visibility and drive app downloads.
- Perform keyword research and competitor analysis to identify growth opportunities.
- Monitor SEO performance and analyze search data to identify optimization opportunities.

SEO & E-commerce Specialist (Full-time) Azraq | 9 Months

- Implemented on-page SEO strategies to improve organic search visibility and keyword rankings.
- Conducted keyword research and competitor analysis to identify content and ranking opportunities.
- Managed and optimized e-commerce stores across Shopify, WordPress, Salla, and Zid.
- Monitored website performance using Google Analytics and Google Search Console.
- Implemented conversion tracking and analytics configurations using Google Tag Manager.
- Worked on technical and content optimization to improve organic traffic and search performance.

ACHIEVEMENTS

- Improved search visibility and rankings for multiple e-commerce and service-based websites, achieving first-page Google results.
- Delivered fast SEO results, with articles and services reaching top positions within a short period.

- Applied comprehensive SEO strategies (on-page, technical, and local), improving indexing, local visibility, and image search performance.

SELECTED RESULTS (GOOGLE ANALYTICS 4 & SEARCH CONSOLE)

- **Shopify store:** 869 organic search sessions with a 67.63% engagement rate; organic search generated $198.99 (26.23% of reported revenue).
- **Salla store:** 63.6K impressions, 2.2K clicks, and an average position of 9.2; organic search generated $255.97 (35.86% of revenue).
